REGISTRATION FOR THE 48TH ACI WORLD CONGRESS

Gateway to Opportunity

It is the honour and privilege of ACI Financial Markets Association South Africa to be hosting this prestigious event, 12 – 14 March 2009. The business sessions and exhibition will be hosted at Cape Town Convention Centre, www.cticc.co.za

We plan to give the event a strong Africa influence while not ignoring the importance of the international field. This is reflected in the program and social events we are planning and to once again expose our visitors to the fantastic hospitality South Africa has to offer.

Following the gala dinner on Saturday night, we plan to entertain you to some tourist events on the Sunday morning and the bookings will be done on a first come first served basis. These events include a trip to Robben Island, Table Mountain, Wine Estate or Golf.

Details of the event can be found on our website – www.aci2009capetown.com

The committee of ACI World Congress invites you to take advantage of the early bird discount registration fee of R13,000 which is available until the 12 December 2008 after which the registration fee will be R15,000. Members are reminded that the South Africa flight routes are very popular, especially the direct international flights to Cape Town, and we urge you to book your flights early.

The opening event on Thursday evening will be sponsored by the South African Reserve Bank with Dr X P Guma, Deputy Governor, the guest speaker and the business session on Friday, 13 March, will be opened by the Governor of South African Reserve Bank Mr Tito Mboweni.

Your registration and hotel bookings will be confirmed to you by Scatterlings Conference and Events, the appointed Professional Conference Organizer for Congress.

We look forward to seeing you in Cape Town
