ACI's new statutes, new governance, Eddie Tan new Chairman

ACI The Financial Markets Association adopted new statutes and new governance during the 52nd World Congress held in Singapore from the 14th until the 16th of March.

With immediate effect, the association will be managed by the Managing Board composed of the Regional Presidents (Brigid Taylor for Africa, Eddie Tan for Asia, Philippe Jeanne for Europe, Amr El Ganainy for the Middle East) and the CFO Luciano Turba.

Eddie Tan, who was Vice President of ACI prior to the Congress, was appointed Chairman.

In the coming months the newly created position of a full time President will be filled. The successful candidate will be presented to the Delegates at the next Council in Paris on October 25th 2013.

We would like to take this opportunity to thank Manfred Wiebogen who tirelessly and successfully took the association to new heights during his tenure as President. Abiding by the statutes, he stepped down as President after completing his second mandate.
