

President delegated of ACI Global

A) Overview (According to ACI Statutes Article XIII)

- The President delegated is proposed by the Management Board and submitted to the advice of the Council. The Chairman formally hires and lays off the President delegated.
- The President delegated represents ACI and acts on its behalf in relation to any day-to-day operations of ACI using the Chairman and Treasurers powers delegations.
- Using these delegations, the President delegated manages the staff, its hiring and firing (within the approved budget), and also for discipline, health and safety.
- The President delegated, within the budget approved by Council and within financial guidelines, is responsible for the preparation, execution, implementation and, where deemed necessary, updating of budgets and financial and budgetary guidelines.
- He is responsible for the conduct of all financial affairs of the association.
- The President delegated reports to the Management Board on the progress and result of any matters and business delegated to him by the Management Board.
- He is responsible for the oversight and management (including performance reviewing and evaluations) of the staff employed by ACI for their operations and administrations of the day-to-day business of ACI, provided that he may delegate, after consulting the Management Board, such powers and duties to a senior member of the full-time staff.

B) List of Job Delegation given from the Chairman to the President delegated (CEO)

B.1. Planning/Budgeting

1. Formulating a Strategic Plan for ACI based on the vision and mission of the Association as approved by Council. This would include the setting of both qualitative (benchmarking) and quantitative (Funding/Budgets) objectives, and the Resources required to achieve this.
2. Conducting annual reviews & thereafter formulating Strategies and Budgets for the following year. This includes critically evaluating the performance and success of ACI as a global entity each year.
